Sell CellBAND™ For Increased Add-On Sales!

If your company sells any type of sporting goods or electronics accessories, it's time to "sell CellBand"! There are so many advantages to this simple product, that it benefits both the customer and the store. CellBand makes a great add-on sale for many types of products. Sporting goods stores add CellBand as an important accessory to any running or exercise outfit (many do not have pockets). Add to Electronics sales for cell phones, MP3 players or any small electronic device.

- **Available in Spectrum of Colors** - Red, Blue, Green, Brown, Black
- **One Size Fits All** - No need to carry different sizes. Stretchable sweat band fits most adults from small to large.
- **Two Products In One** - CellBand™ is both a fashionable, comfortable cell phone and small device holder, and it is a functional athletic sweat band.
- **Great For Any Season** - Fall, Winter, Spring Fall. Hot or Cold, CellBand™ is fashionable and functional and can be worn all year long.
- **Attractive Full Color Packaging** - CellBand™ comes in retail-ready cellophane package with attention getting color header card, punched with multi-size retail rack hole, easy to read description, instructions and UPC bar code.
- **So Many Uses** - Great for cell phones, MP3 Players, or any small device, in active or recreational use.
- **Product Customer Support** - Customers can call the toll free number on packaging, or contact online for questions, or warrantee information.
